MOBILE DESIGN STUDIO
Initially funded with Kickstarter, DesignEgg is now a sponsored project of Fractured Atlas, a 501(c)3 non-profit arts service organization.
With Fractured Atlas as our fiscal sponsor, we are eligible to apply for local and national grants and to accept tax-deductible donations from individuals and businesses.

THE MISSION DRIVEN
Each year, DesignEgg grants Creative Service Awards to non-profit organizations across the nation.
Each year, DesignEgg grants Creative Service Awards to non-profit organizations across the nation.

Award recipients receive custom graphic design and photography that enhances their marketing efforts and frees up resources for core programs and services.
DesignEgg also accepts applications from individuals and small businesses as part of our Over-Easy Initiative. These projects are typically smaller in scope and are taken on at the discretion of the designers.

We will also continue fundraising efforts (grant writing, individual donor cultivation, and corporate sponsorship). If we reach our goal of $24,000 by November 1, we will be able to offer a dozen major Creative Service Awards to non-profit organizations in 2016, as well as a variety of Over-Easy gifts to individuals and small businesses.
